

Title: Aftermarket System and Windshield Installation

Code: 4726

Credits: 32

Duration: 480 hours

Training sector: Motorized Equipment Maintenance (10)

Certification of studies: Skills Training Certificate (STC) (awarded exclusively by the educational organizations)

Authorized in: 2007

Actualized in: 2013

Mandated school service centre or school board: des Affluents

Participating school service centre or school board: du Chemin-du-Roy

Occupation: Aftermarket System and Windshield Installation Technicians

Program of study objectives: Aftermarket system and windshield installation technicians perform various inspection and installation tasks involving electrical and electronic systems, as well as windshields and other glass. Among other things, they must read specifications; interpret instructions; prepare estimates; inspect electrical and electronic systems; connect and replace systems; repair and install windshields and other glass; install security systems, remote starters, audiovisual systems, telecommunications systems, GPS systems, navigation systems, etc.

Conditions of admission:

A person who meets the following conditions is eligible for admission to a program of study leading to an STC:

- 1** Has obtained at least Secondary III credits or the equivalent in the language of instruction, second language and mathematics;
 - or** Has obtained an Attestation of Equivalence of Secondary Studies (AESS);
 - or** Has successfully completed the General Development Test (GDT) with or without specific prerequisites.
- 2** Has interrupted their full-time studies for at least 12 months;
 - or** Is 18 years old when entering training;
 - or** Has obtained a Secondary School Diploma (SSD) or a Diploma of Vocational Studies (DVS) or their equivalent;
 - or** Meets the eligibility conditions of Emploi-Québec's workforce training measure.

This program is accessible via the [TCST-STC bridge](#).

PROGRAM OF STUDY CONTENT

AEP Code	Statement of the Competency	Hours
AEP 726-011	Determine their suitability for the trade and the training process	15
