

**Advertise your programs and services on the most visited website dedicated to vocational and technical training in Québec**

**Promote in the same place where you can find tens of thousands of students and future graduates for your sector. An alternative to traditional media spots where you can reach the younger crowd.**

For more than twenty years, Inforoute FPT has been the go-to reference for training program content, establishments in each region, places available...

**More than two million visitors annually.**

## MESSAGE ASSOCIATED WITH A SPECIFIC TRAINING PROGRAM

**Welding and Fitting**

Code	5695
Diploma	DVS
Sector	Metallurgical Technology (16)
Number of credits	120
Length of training	1800 hours
Status	Program approved in 1997.

**Program objectives**

To acquire the qualifications needed to get into the labour market; to acquire the qualifications needed to interpret plans, specifications and procedures; to acquire the qualifications needed to prepare and weld steel, stainless steel and aluminum parts according to different processes: SMAW, GTAW, GMAW, FCAW; to acquire the qualifications needed to carry out, modify and repair assemblies; to apply occupational health and safety rules; to control the quality of products built.

**Admission conditions**

To be eligible for admission to this program, candidates must meet one of the following requirements:

Persons holding a Secondary School Diploma or its recognized equivalent, for example, an Attestation of Completion of Secondary V studies, or a postsecondary diploma such as the Diploma of College Studies or a Bachelor's degree.

OR

Persons who are at least 16 years of age on September 30 of the school year in which they entered the program and have earned the Secondary IV credits in language of instruction, second language and mathematics.

OR

Persons who are at least 18 years of age upon entry into the program and have the successful completion of the General Development Test (see the following table).

OR

Persons who have obtained Secondary III credits in language of instruction, second language and mathematics, and who, in order to obtain the Secondary IV credits they lack in language of instruction, second language and mathematics, are established by the Minister.

**Targeted professions (Link to Emploi Québec's IMT En ligne)**

Welders and related machine operators (2237)

**Job titles**

welder

**Functional prerequisites**

A person who has reached the age of 18 can be admitted to a program of study leading to a diploma (DVS) based on functional prerequisites. These prerequisites, in place for those aged at least 18, are:

We are now offering you the option to display a targeted message, associated with a training program page. For example, the page for the plumbing program was displayed more than 40 000 times last year.

The offer includes the same message on the AdmissionFP page. Approximately 110 000 applications in vocational training per year are processed using AdmissionFP.
