

Title: Farm Work

Code: 4756

Credits: 35

Duration: 525 hours

Training sector: Agriculture and Fisheries (02)

Certification of studies: Skills Training Certificate (STC) (awarded exclusively by the school service centres or the school boards)

Authorized in: 2021

Mandated school service centre or school board: des Hauts-Cantons

Participating school service centres or school boards: de la Côte-du-Sud, du Lac-Témiscamingue

Occupation: General Farm Worker

Program of study objectives: The *Farm Work* program of study prepares students for the duties of a general farm worker. Students develop the skills necessary to carry out various daily or periodic tasks on a farm, whether inside or outside, related to: feeding and tending the animals as well as performing production operations on a farm or livestock ranch; cultivating and harvesting produce in the field or in greenhouses; cleaning the facilities and performing basic maintenance on buildings, machinery and production equipment. Moreover, students learn how to act safely to protect their health and the health of animals and to follow protocols for biosafety, hygiene and the protection of the environment.

Conditions of admission:

A person who meets the following conditions is eligible for admission to a program of study leading to an STC:

- 1** Has obtained at least Secondary III credits or the equivalent in the language of instruction, second language and mathematics;
 - or** Has obtained an Attestation of Equivalence of Secondary Studies (AESS);
 - or** Has successfully completed the General Development Test (GDT) with or without specific prerequisites.
- 2** Has interrupted their full-time studies for at least 12 months;
 - or** Is 18 years old when entering training;
 - or** Has obtained a Secondary School Diploma (SSD) or a Diploma of Vocational Studies (DVS) or their equivalent;
 - or** Meets the eligibility conditions of Emploi-Québec's workforce training measure.

PROGRAM OF STUDY CONTENT

STC Code	Statement of the Competency	Hours
STC 756-011	Determine their suitability for the trade and the training process	15
STC 756-022	Prevent health, safety and environmental hazards in an agricultural setting	30
