

Title: Towing and Roadside Assistance for Light-Duty Vehicles

Code: 4742

Credits: 24

Duration: 360 hours

Training sector: Motorized Equipment Maintenance (10)

Certification of studies: Skills Training Certificate (STC) (awarded exclusively by educational institutions)

Authorized in: 2019

Mandated school service centre: des Premières-Seigneuries

Participating school service centre: de la Rivière-du-Nord

Occupation: Tow truck driver-operator

Program of study objectives: Train students to tow light-duty vehicles that have broken down or been involved in an accident, recover them from an off-road accident and provide roadside assistance.¹ These tasks are governed by strict regulations and standards.

Conditions of admission:

To be eligible for admission to the *Towing and Roadside Assistance for Light-Duty Vehicles* program, candidates must satisfy one of the following requirements:

- 1** Have obtained at least Secondary III credits or the equivalent in the language of instruction, second language and mathematics
 - or** Have obtained an Attestation of Equivalence of Secondary Studies (AESS)
 - or** Have successfully completed the General Development Test (GDT) with or without specific prerequisites
- 2** Have interrupted their full-time studies for at least 12 months
 - or** Are 18 years old when entering training
 - or** Have obtained a Secondary School Diploma (SSD) or a Diploma of Vocational Studies (DVS) or their equivalent
 - or** Meet the eligibility conditions of Emploi-Québec's workforce training measure
