

Title: Interior Aircraft Installation

Code: 4763

Credits: 39

Duration: 585 hours

Training sector: Mechanical Manufacturing (11)

Certification of studies: Skills Training Certificate (STC) (awarded exclusively by school service centres or school boards)

Authorized in: 2022

Mandated school service centre or school board: de Montréal

Participating school service centres or school boards:

Occupations: Interior Aircraft Technician

**Program of study objectives:** Interior aircraft technicians perform tasks related to the production and maintenance of aircraft and helicopter interiors. They install and adjust interior components and coverings, which requires installing and removing furnishings such as seats, cabinets, doors, lavatories, closets, cockpit structures and various types of interior surfaces.

Conditions of admission:

A person who meets the following conditions is eligible for admission to a program of study leading to an STC:

- 1** Has obtained at least Secondary III credits or the equivalent in the language of instruction, second language and mathematics;  
**or** Has obtained an Attestation of Equivalence of Secondary Studies (AESS);  
**or** Has successfully completed the General Development Test (GDT) with or without specific prerequisites.
- 2** Has interrupted their full-time studies for at least 12 months;  
**or** Is 18 years old when entering training;  
**or** Has obtained a Secondary School Diploma (SSD) or a Diploma of Vocational Studies (DVS) or their equivalent;  
**or** Meets the eligibility conditions of Emploi-Québec's workforce training measure.

☒ This program is accessible via the [TCST-STC bridge](#).
